

List your London Local

26 pubs a week are closing across the country: find out how to stop your local pub being sold without you knowing about it

For many people up and down the country their local pub is the heart and soul of their community

Learn about how you and your community can protect your local

3rd July, 18.00 – 20.00

Opportunities to talk about:

Listing your local • Support and Finance – raising funds to buy your pub • Making your Pub Pay • Success and how it happens - hear from the Ivy House community pub team

There will also be opportunities to find out what more you can do to make sure your community is in control
